Fremantle City Centre

The iconic port city of Fremantle is Perth's second city and the capital of the South West Metropolitan Region strategically located between the Perth CBD and WA's 'Trade Coast'. Fremantle is a modern, cosmopolitan and sustainable city in a historic, coastal setting. Fremantle is also Western Australia's second most visited tourist destination, with a buzzing 'cappuccino strip', a vibrant food and cultural scene, ornate architectural heritage and Bathers Beach amongst its draw cards.

The city's passionate community welcomes development that embraces the city's unique identity. A \$1.3 billion pipeline of major civic, office, residential and retail development opportunities over the next 15 years will revitalise the Fremantle City Centre and significantly boost the resident population.
